# ABOUT CHAITANYA SHIKSHA SAMITI

(Promoting Body of IPER Group of Institutions)

*In 1996, a group of eminent businessmen, philanthropists and academicians came together to establish an institute to impart quality Management and Technical Education in Bhopal and it's surrounding areas. This promoting body, known as the Chaitanya Siksha Samiti established the IPER GROUP OF INSTITUTIONS to enable committed management professionals to enhance the opportunities created through the Free Market Ideology of the Indian Economy.*

*Since then, the Samiti has enabled IPER to grow from it's humble roots to one of the best and most reputed institutions of Central India, with a strong focus on Business & Management studies. This group is still very much involved with the day to day working of the Institute and provide it with financial and cultural guidance and ensure the institute is true to it's core beliefs and ideals.*

## IPER UNDERGRADUATE DEGREE PROGRAMMES

### OBJECTIVE:

The range of learning outcomes achieved by students from our meticulously designed academic programmes that will equip them to experience and demonstrate an increasingly higher level of understanding, analysis and evidence of the synthesis of theory and practice and are expected to be able to:-

- Provide adequate basic understanding about Management , Commerce, Arts and Humanities Education among the students.
- Prepare students to harness opportunities being newly created in the Management , Commerce, Arts and Humanities Profession.
- Effectively train students in communication skills.
- Develop appropriate skills in the students so as to make them competent and provide them self-dependent.
- Inculcate Entrepreneurial skills.

## THE IPER ADVANTAGE

Incepted in 1996, IPER is one of the most acclaimed management education institutes in central India. Its deed to be in sync with the time and meet the needs of modern business scenario sets it apart. Committed to impart quality education, along with a tested and proven record of MBA, IPER launched its much awaited **UG program in 2014**. It is designed to ensure skilled, competent and employable work force right after school education.

The IPER undergraduate programme will help you acquire knowledge and understanding of specialist field based on your selected major(s), to enhance your advanced analytical skills. Along with skills that employers value and a set of transferable skills to ensure your success. The skills and business knowledge you gain from your IPER UG degree will give you an excellent foundation for many career opportunities. These all courses have varied specializations which a student can choose to make a nuanced career choice. Employer surveys over the last decade have repeatedly reinforced the attractiveness of graduates with expertise in more than one area of business, with a particular emphasis on information technology/information management and general communication skills, business analytics and decision-making.
