# ABOUT CHAITANYA SHIKSHA SAMITI

## (PROMOTING BODY OF IPER GROUP OF INSTITUTIONS)

In 1996, a group of six eminent businessmen, philanthropists and academicians came together to establish an Institute to impart quality Management and Technical Education to Bhopal and it's surrounding areas. This promoting body, known as the Chaitanya Siksha Samiti established the IPER GROUP OF INSTITUTIONS to enable committed management professionals to enhance the opportunities created through the Free Market Ideology of the Indian Economy.

Since then, the Samiti has enabled IPER to grow from it's humble roots to one of the best and most reputed institution of Central India, with a strong focus on Business & Management studies. This group are still very much involved with the day to day working of the Institute and provide it with financial and cultural guidance and ensure the institute is true to it's core beliefs and ideals.

- *Train the students in communication skills effectively.*
- *Develop appropriate skills in the students so as to make them competent and provide them self-dependent.*
- *Inculcate Entrepreneurial skills.*

## THE ADVANTAGE IPER

Incepted in 1996, IPER is one of the most acclaimed management education institutes of central India. Its deed to be in sync with the time and meet the needs of modern business scenario sets it apart. Committed to impart quality education, IPER along with a tested and proven record of MBA. IPER launched its much awaited UG program in 2014, is designed to ensure skilled, competent and employable work force right after the school education.

The IPER undergraduate programme will help you acquire a knowledge and understanding of specialist field based on your selected major(s), to enhance your advanced analytical skills. Skills that employers value as a graduate you will need a set of transferable skills to ensure your success. The skills and business knowledge you gain from your IPER UG degree will give you an excellent foundation for many career opportunities. Employer surveys over the last decade have repeatedly reinforced the attractiveness of graduates with expertise in more than one area of business, with a particular emphasis on information technology/information management and general communication skills, business analytics and decision making capabilities.
